GENERAL TOURNAMENT INFORMATION

You are kindly invited to participate at the Peter Schuler Memorial Tournament. DVH Amstelveen has some history in organizing men's fast pitch tournaments in the past but this type of tournament is organized for the first time, with the intention to make this an annual recurring event.
This tournament is open to all teams that like to participate on higher level games, both national and club teams. We have already contacted, or will contact shortly, national and club teams from The Netherlands, Belgium, France, Germany, Italy, Spain, Czech Republic and other teams from other countries. There will also participate a team from DVH Amstelveen.
The aim of the organization is to let the teams play as many games as possible. We have three fields available and based on the number of teams participating a play schedule is made. We have the option to start with the first games on Friday June 12th and continue playing on Saturday and Sunday. When limited teams subscribe then the tournaments will start on Saturday.
We have the intention to organize a BBQ on Saturday evening for all the teams, staff and tournament volunteers. Details on this will become available later.

RULES AND REGULATIONS

Registration is already possible but only after payment is received the registration can be confirmed. After payment is received this will be confirmed via email.

No refunding can be done after cancellations made after May 1st, 2020 at 09:00 AM
