MEALS

Meals are available in hotel restaurants, city and restaurants near the fields and snack bars at the fields. There is also a very good food delivery service in Trnava at reasonable prices. We could offer the assistance for arrangements and reservations.

TRANSPORT

Internal transport will be provided following ESF regulations. Transport schedule will be ready on the basis of teams` written requests (via email). Organizers will guarantee transports only for athletes and staff members. If a team stays in an hotel that had been approved by the organizers for internal transport but it decides to move by its own buses/cars, it will be very helpful for organizers and might be refunded with 100 Euros in order to cover travel expenses. If so, please inform the organizers as soon as possible. There will be no refund for teams that stay in an hotel that had not been approved by the organizers. Teams arriving at Bratislava Airport and Vienna Airport can ask the organizers for a transfer to the hotel or the field. The total cost for picking you up at the airport or driving you back to the airport will be app. 350 Eur /Vienna/ and 250,- Eur /Bratislava/ one way.

Trnava is a small city with good transport (train, bus) connections. Although almost everything in Trnava is in walking distance, there is a very good taxi service in Trnava for perfect price 2-2,50 Eur/every ride in Trnava.
