Event COVID-19 Hygiene Officer:

COVID19 tests hub close to event venue: Castions di Strada, Cervignano, Porpetto

ADDITION TO ART 5:

The Italian Government requires that every person entering the country provide a negative COVID-19 PCR test carried out within 72 hours before the arrival date.

FIBS will adhere to the Italian Government Green passport / vaccination policy based on the EU regarding “Green passport” or Vaccination Passports new policies once they are operational.

FIBS will organize and cover the costs for rapid anti-genic tests for all the participants upon arrival, that must be taken anyway before hotel check-in. At the test hub all participants must present a PCR negative test taken within 72 hours.

ART 5 – d – II: *The second test (48 hours after the first test) for all the relevant persons (Team delegations Members, SE Officials, and Umpires) is **NOT** required by the Italian Government, and therefore it is **not** compulsory.*

However, all the relevant people might contact the ‘COVID19 tests hub close to event venue’ and schedule a test at their own expense.

ADDITION TO ART 8:

All team equipment shall be sanitized entering the facility. A dedicated area and devices for sanitization will be set at the entrance of each facility.

ADDITION TO ART 9:

- Face masks shall always be worn in the dugouts.
- Umpires shall wear masks outside of the playing field. Umpires are **not** required to wear gloves.
