

Post Corona U15 Women's Cup

June 24, 2020

TO: Softball Europe

Dear Friends

As you have been informed about the cancelation of the U15 Women's Championship 2020 at the end of May, I am more than happy to provide you with an alternative initiative for the U15 Women's teams, who will not be able to play the European Championship this year.

WBSC Softball Europe has agreed along with Little League Europe to use the Little League facilities in Kutno, Poland to organize the Post Corona U15 Cup. The Cup will be held on the original dates of the U15 WECh, only a little shorter. The Cup will be a four-day tournament between August 27 – 30, 2020. I would like to thank to LL Europe for this cooperation opportunity and excellent financial offer, which should be achievable for all. Our main intention is to offer the young athletes to compete internationally and keep the motivation to develop.

The Little League facilities in Kutno are a 24/7 secured Complex with one softball field and we can use the Little League Stadium as well, with the pitching mound removed. The dormitories at the Complex are in units and each team unit consists of players' room with 14 beds and a coach's room with three beds. The offer of housing the teams is for 40 PLN/night/person (little less than 10 Euros). The Complex has also conference rooms. For meals, at the Tournament, you can use a local catering company that delivers individually packed meals for each team. Their cost with delivery is about 50 PLN for breakfast, lunch, and dinner (three meals / 50 PLN).

Teams can enjoy a small shopping mall across the street and a nice water park next door with a swimming pool, bowling, and a small gym. The teams will have everything they need at the Complex.

The Post Corona U15 Cup is open for any U15 women's teams with no restrictions. Nr. of the participating team is six (6), with no Entry Fee. Every team must bring one umpire. Balls and other services will be provided by WBSC Softball Europe and Little League Europe.

*Registration of participants (name of the team, contact person) should be sent to the WBSC Softball Europe Communications Director Elda Ghilardi (eghilardi@wbsceurope.org) **no later than July 27**. The rule is first come first serve.*

Best regards
