## ABOUT TOURNAMENT

International tournaments Forever Fastpitch and Ball Game have been hosted by Softball club Princ for 12 years. The tournament is open to all the teams that are interested to play in high level games. Having high quality teams from Great Britain, Italy, Denmark, Slovakia, Slovenia, Austria, the Netherlands and Hungary competing in the previous tournaments show what a good competition and preparation for the new season this can be. Every team will play at least 4 games during the weekend, but most of the teams will play 5 games. (Depending on the outcome of 1st

Round robin and number of teams).

Because we want the girls to play as much as possible, the aim is to start the tournament on Friday afternoon, depending on the weather and if there will be teams available to play on Friday. Starting on Friday would give us space for more games on Saturday and Sunday. We always try to make our tournaments extra fun, building new friendships and sportsmanship and most of all, having a good level of play at the tournament.

# ZAGREB

Zagreb, the capital of the Republic of Croatia, is one of the oldest European cities and is yet one of Europe's youngest metropolises. The fact that the Zagreb archdiocese was founded in 1094 and that the city was proclaimed a free royal city in 1242, attests to its long history. Zagreb was founded in a place where the last hills of the Alps merge towards the edge of the Panonian valley, making it an ideal spot for building a city within the Medvednica mountain hills (the highest point is Sljeme at 1035 meters, a favourite picnic spot for Zagrebians) and along the Sava River valley.

Zagreb is the administrative, economic, diplomatic and cultural capital of the country, with a population of almost one million.

You may best learn about it by walking down the city streets and enjoying a cappuccino in one of its many city cafes. The biggest value of this city is its atmosphere and the people who never allow you to feel alone. Zagreb has a story to tell and it has a heart, a big heart.
